

## **Industrial Product Designer**

TPI dba Telecom Products, Inc.

1136 North 1st Street Garland, TX 75040

### **JOB DETAILS**

Job Type: Full-time

Number of hires for this role: 1

### **FULL JOB DESCRIPTION**

T.P.I Inc. seeks an Industrial Product Designer in Garland, TX to design, create, and market metal and machine products; estimate and demonstrate product cost and profit potential; provide customer quotes and review project contracts to ensure efficiency; develop alternatives or solutions to lower production costs; select and source materials and perform design optimization; test product limitations; use Solidworks, Mastercam, and JobBOSS to create blueprints for new products and enhanced products; and modify and refine designs to meet client specifications for custom products.

This position requires a Bachelor's degree in Industrial Design, seventy two (72) months of experience as an Industrial Designer or related position; Six Sigma Green Belt Certification; proficiency in Solid Works, Mastercam, and JobBOSS; and fluency in Spanish.

Send applications to Robert Silber, 1136 N. 1st St., Garland, TX 75040 or via email at [bobby@tpitexas.com](mailto:bobby@tpitexas.com).
